

## General Personnel

### Employee Ethics; Code of Professional Conduct; and Conflict of Interest <sup>1</sup>

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any. <sup>2</sup>

<sup>1</sup> The State Officials and Employees Ethics Act (SOEEA) (5 ILCS 430/), *Erin's Law* (105 ILCS 5/10-23.13, amended by P.A. 102-610), and *Faith's Law* (105 ILCS 5/22-85.5, added by P.A. 102-676), require a policy on subjects covered in this sample policy; State and federal law controls its content.

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy largely cites 105 ILCS 5/22-85.5, a small portion of the *Faith's Law* package. *Faith's Law* is the entirety of Public Act 102-676, which closed significant legal loopholes related to combating grooming by: (1) broadening the definition of grooming prohibited by the Criminal Code of 2012 (720 ILCS 5/11-25); (2) authorizing the Ill. Dept. of Children and Family Services to investigate grooming allegations under the Abused and Neglected Child Reporting Act (325 ILCS 5/3); and (3) requiring the Ill. State Board of Education (ISBE) to, by 7-1-23, develop and maintain a resource guide for students, parents/guardians, and teachers about sexual abuse response and prevention resources available in their community (105 ILCS 5/2-3.188). A *Faith's Law* trailer bill, P.A. 102-702, eff. 7-1-23, further combats grooming by amending School Code provisions related to district and third-party contractor hiring practices, suspension and revocation of employee licenses, and criminal history records checks for prospective and current employees.

### Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.<sup>3</sup>

The Superintendent or designee shall identify employee conduct standards<sup>4</sup> that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.<sup>5</sup>
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.<sup>6</sup>

<sup>3</sup> See 105 ILCS 5/22-85.5(b), added by P.A. 102-676.

<sup>4</sup> Sample conduct standards are contained in administrative procedure 5:120-AP2, *Employee Conduct Standards*. These items are subjects of mandatory collective bargaining. Consult the board attorney for advice before establishing them.

<sup>5</sup> 105 ILCS 5/22-85.5(d)(1), added by P.A. 102-676; 23 Ill.Admin.Code Part 22. 105 ILCS 5/22-85.5(d)(1) requires boards to incorporate ISBE's *Code of Ethics for Illinois Educators* in their policies. Prior to this law requiring boards to incorporate the *Code* by reference, this policy incorporated it to demonstrate a board's commitment to the *Code's* principles, potentially allowing a board to enforce the *Code* independently from any action taken by the State Superintendent.

<sup>6</sup> 105 ILCS 5/22-85.5(d)(5), added by P.A. 102-676, requires districts to reference required employee training related to child abuse and educator ethics in its employee professional conduct policy.

105 ILCS 5/10-22.39(f) requires each board to conduct in-service training on educator ethics, teacher-student conduct, and school employee-student conduct for all personnel. These expectations will be most effective when the in-service curriculum reflects local conditions and circumstances. While the School Code only requires the in-service, the requirement presents an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for the in-service that instructs all district employees to maintain boundaries and act appropriately, professionally, and ethically with students. See discussion in f/n 4 in 5:100, *Staff Development Program*. After its discussion of these issues, the board may have further expectations and may choose to reflect those expectations here.

105 ILCS 5/10-23.13(c), amended by P.A. 102-610, requires districts to provide evidenced-informed training for school personnel on preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior by no later than January 31 of each year. See sample policy 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*, for further detail about the training requirements.

3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:<sup>7</sup>
  - a. Transporting a student;
  - b. Taking or possessing a photo or video of a student; and
  - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.<sup>8</sup>
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:<sup>9</sup>
  - a. Violates expectations and guidelines for employee-student boundaries.<sup>10</sup>
  - b. Sexually harasses a student.<sup>11</sup>
  - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/),<sup>12</sup> Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).<sup>13</sup>

325 ILCS 5/4(j), amended by P.A.s 101-564 and 102-604, requires district employees to complete mandated reporter training within three months of initial employment and at least every three years thereafter. See f/n 10 in sample policy 5:90, *Abused and Neglected Child Reporting*, for further detail about the training requirements.

775 ILCS 5/2-109, added by P.A. 101-221, requires districts to provide annual workplace sexual harassment prevention training to all employees. See f/n 4 in sample policy 5:20, *Workplace Harassment Prohibited*, for further detail about the training requirements.

<sup>11</sup> The Ill. Human Rights Act makes it a civil rights violation to fail to take remedial action, or to fail to take appropriate disciplinary action, against any employee when the district knows that the employee committed or engaged in sexual harassment of a student. 775 ILCS 5/5A-102. Sexual harassment of a student is also prohibited by 2:265, *Title IX Sexual Harassment Grievance Procedure*, and 7:20, *Harassment of Students Prohibited*. Sexual harassment of an employee is also prohibited by policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, and 5:20, *Workplace Harassment Prohibited*.

- e. Engages in grooming behaviors. Prohibited grooming behaviors<sup>15</sup> include, at a minimum, *sexual misconduct*. *Sexual misconduct*<sup>16</sup> is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
  - i. A sexual or romantic invitation.
  - ii. Dating or soliciting a date.
  - iii. Engaging in sexualized or romantic dialog.
  - iv. Making sexually suggestive comments that are directed toward or with a student.
  - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.

As used in this Section, 'child' means a person under 17 years of age."

#### Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees.<sup>18</sup> Students shall not be used in any manner for promoting a political candidate or issue.

#### Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, “no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board.<sup>19</sup> An employee having an interest in instructional materials must file an annual statement with the Board Secretary.<sup>20</sup>

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest.<sup>21</sup> A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.<sup>23</sup>

No appellate decision defines *school officer* or *apparatus*, or what is meant by *connected*. The statute was enacted in 1961, but earlier versions were in the School Code much longer. A violation of this prohibition is a Class A misdemeanor.

Guidance Counselor Gift Ban<sup>26</sup>

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
  - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
  - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
  - c. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

A guidance counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

<sup>25</sup> *Id.* The rule provides flexibility for school districts to “set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value,” along with “disciplinary actions to be applied for violations.” Referring to sample policy 2:105, *Ethics and Gift Ban*, for these standards provides clarity and consistency. Sample policy 2:105 refers to **Limitations on Receiving Gifts** in the Ethics Act at 5 ILCS 430/10-10 – 10-30, along with discussion of the specific penalties available under the Ethics Act at 5 ILCS 430/50-5 in its **Enforcement** subhead.

<sup>26</sup> This section is only for those districts with a high school. 105 ILCS 5/22-93, added by P.A. 102-327 and renumbered by P.A. 102-813. *Guidance counselor* means a person employed by a school district and working in a high school to offer students advice and assistance in making career or college plans. *Id.*
